KLIMAKOMMUNE

An aerial photograph of a city street during a heavy rain event. The street is completely flooded with murky, brown water. Several cars are driving through the water, including a white sedan in the center and a dark sedan in the lower right. A person on a motorcycle is also visible in the lower right. In the background, there are green trees and a multi-story residential building with a red facade. The overall scene depicts significant urban flooding.

A photograph of a forest path. The path is covered in brown leaves and leads into a dense forest of green trees. The banks of the path are covered in moss and fallen leaves. The text 'FREDNINGER' is overlaid in yellow at the top, and 'WWW.FREDNINGER.DK' is overlaid in yellow in the middle of the path.

A group of white piglets of various sizes are gathered in a dark, possibly indoor, enclosure. The piglets are the central focus, with some looking towards the camera and others looking away. The lighting is somewhat dim, highlighting the texture of their skin and the shape of their ears and snouts.
